

# Reading Intervention Coaching & Certification

We know many schools and afterschool programs want to help their students in reading, but might not know what to do, or how. That's why we launched our Coaching Programs to share what we've learned about literacy with caring adults who can provide tutoring wherever kids need it!

Our program focuses on the essential components that have been researched in successful reading intervention programs.

## 1. High-Quality Curriculum & Instruction

## 2. Trained and Supported Instructional Staff

## 3. Effective Program Planning & Management

## WE PROVIDE:

### All materials

- Teacher materials:
  - Virtual Implementation Online Training
  - Digital Teacher Guide and Lesson Plan Books
- Student Materials:
  - Student Workbooks
  - Student Manipulatives Kits
- Assessment Administration Materials

- **Program design and implementation consultation** to develop a plan that works within the framework of your existing program.
- **Initial and ongoing training** to key staff.
- **An Instructional Coach onsite 1-2x a week** for the school year to model lesson components and support your instructional staff as they implement the reading curriculum.

For 10 years Readers 2 Leaders has distinguished itself as a premier provider of high-impact literacy intervention, providing critical reading support to Dallas K-5th graders.

# What Are People Saying?

*As a new director I literally started to plan, shape, and direct our After School Reading Program from ground zero in the middle of COVID-19. I could not have gotten our program off the ground without the help of Readers 2 Leaders coaching! Our students are receiving the reading intervention they need. The coaching my staff and I received is a game changer. So so grateful to be shaping and making our reading program better alongside Readers 2 Leaders!"*

**Alyssa Brynsvold**

**Director of Elementary School Literacy, Casa del Lago**

*"The R2L coaching program has helped support our Children's Education team by training us in high-quality intervention strategies that are extremely tangible, effective, and meaningful. The coaching program has improved the quality of our programming immensely."*

**Natalie Breen**

**Director of Children's & Youth Education, Wesley Rankin Community Center**

*Because of Readers to Leaders my program has been able to properly implement new curriculum. We have been able to track our students' progress and our team at Readers to Leaders has walked us through every step of the process. We have seen improvement with our students' reading over the course of our program. Our Readers to Leaders team has been there every step of the way, answering all of our questions and helping set our program up for success.*
